

Over the last 2 years, we have spent a significant amount of money & invested a great deal of work at the campground to make our facilities nicer and ensure that the campground remains for many years. We need your help in assuring our efforts don't go to waste!

The Appalachian Advent Christian Association has instituted a policy requiring Administration from each camp session to thoroughly inspect the property before camp convenes and again before camp departs. Damage to individual rooms will be charged to those using the room. Damage to buildings will be assessed to the entire camp. Please help us maintain our facilities by stressing to your camper(s) that he/she should not write or carve names, initials or anything else **ANYWHERE** on the property!

Please initial below stating that you have read the statement above

Some Things Parents Should Know:

Parents, please note that camp staff will be wearing safety vests and/or name tags! Anyone without one of these is NOT staff!

Please consider sending your child(ren) to a week of camp with us this summer! Many of you have been here in the past, but for those who haven't, rest assured that your child (ren) will have a great time while receiving what we believe is real truth found in the Bible!

We encourage you to send mail to your child. Most mail sent before Wednesday of camp makes it on time.

COMMUNICATING WITH YOUR CAMPER

Phone Calls | Campers will not be allowed to make phone calls during the week. With the large number of campers we have, it would be impossible for us to allow them all to call home. Phone calls often create homesickness.

Please do not send a cell phone to camp with your child. As with all electronics, any cell phones that we find will be kept in the office and returned at the end of the week. If you are concerned about your camper, please call the office and we will have their counselor return your call at their first opportunity.

Visits | Please do not make plans to visit your child during the week. As with phone calls, we have found that mid-week visits usually result in homesickness. We promise to call you if your child is experiencing homesickness beyond what is normal. We will not leave them crying for days and make them tough it out. We'll call you and let you help us decide what is in the best interest of your child since you know them better than we do.

We must have a copy of the insurance card that covers your child (ren). Please bring a copy with you.

To ensure your camper has a spot, please pre-register by sending in the completed registration form and a check for \$25 or the full \$185.

Pre-registration is required by TUESDAY JUNE 11. Failure to pre-register by this date will result in a \$25 late fee payable at the time of registration. Make checks payable to: Piedmont Conference Student Ministries. All forms and checks should be mailed to:
